Instructions for Participant

The information on this Form 1098-Q is submitted to the IRS by the issuer of your qualifying longevity annuity contract (QLAC) to report the status of the contract. Prior to annuitization, the value of any QLAC purchased after July 1, 2014, held by your plan or IRA (section 401(a), 403(a), 403(b), 408 (other than a Roth IRA) or eligible governmental plan under section 457(b)), is not included when calculating the required minimum distribution (RMD) from your plan or IRA.

You will receive this statement annually beginning with the first year in which premiums are paid and ending with the earlier of the year in which you attain age 85 or die. In the event of your death, if the sole beneficiary under the contract is your surviving spouse, this annual statement will be furnished to your surviving spouse until distributions commence, or if earlier, the year in which your surviving spouse dies.

If you have questions about your QLAC, contact the issuer at the address and phone number shown on the front of the form.

Account number. May show an account or other unique number the issuer assigned to distinguish your account (QLAC).

Participant's taxpayer identification number. For your protection, this form may show only the last four digits of your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN). However, the issuer has reported your complete identification number to the IRS.

Plan number, name, and employer identification number. Shows, if the contract was purchased under a plan, the number of the plan, the name of the plan, and the employer identification number (EIN) of the plan sponsor.

Box 1a. Annuity amount on start date. If the payments have not started, shows the annuity amount payable on start date.

Box 1b. Annuity start date. If the payments have not started, shows the date on which the annuity is scheduled to start. The date reported is shown in the format month, day, and year (mmdyyyy).

Box 2. If checked, shows that the start date may be accelerated.

Box 3. Shows the cumulative total amount of premiums paid for the contract.

Box 4. Shows the fair market value (FMV) of your QLAC as of December 31, 2016.

Boxes 5a–5l. Shows the amount of each premium paid for the contract and the date each premium payment was made in 2016. If there is more than one payment per month, the box for that month will include the total payments for the month and the date of the last payment in the month.
