

W-2 Pro v2017.14.01

Release Notes

FIXED: Correction issue with Box 12 codes "A", "B", "DD", and "FF" with e-file RCW, RCO, and RCT records.

FIXED: Service Bureau Control Total Reports printing second Box 12 totals.

FIXED: Issue where a corrected SB upload for "Print & Mail & e-File" could include additional records for e-filing.

UPDATED: Latest eFileViewer included.

This update also includes many other small visual and/or performance enhancements.
